Recommendations

 There is an empty white box behind the recommendation bar when dragged all the way down.

Cravings

 The 'Open' text is too close to the button. There should be a small gap between the button and the text.

Cravings

- Uploaded pictures cannot be viewed because the file size is too large. When attempting to view them, they appear as 'C'
- Important note: The user should be able to see the picture as soon as they upload it.

Live App

• The picture frame has drop shadows but the pinpoint doesn't have shadows underneath it.

Cravings

- The areas should be sorted by distance in ascending order (from the nearest to the furthest distance).
- The address search engine is outdated.
- There are issues with the format if the text is too long.
